Do You Wear Spectacles?

— If so, go to the —
NEW JEWELRY STORE
In Greenwood, and have your eyes properly examined by a specialist. KEY WINDING WATCHES changed to stem wind at short notice.
If you want your Watch put in first-class order, carry it to HENNEMAN. It costs you no more to have your watch repaired in the best manner than to have it "botched" and at a good time possibly ruined. I give you the very finest work that skill and experience can command.

My Charges are the Lowest.
How many who read this advertisement have Watches that run "all right" for a few days, or weeks, then stop without any apparent cause?

How many of you have Watches that are good—rather they should be—paid for a good one. Yet you cannot get it regulated for love or money. It will run a little fast or slow. In fact you are beginning to be or already are disgusted with the "machine," and have lost all confidence in your watch which has been and should be now a faithful time piece. To all such unhappy possessors of Watches I would say—bring your Watch to HENNEMAN, get him to put it in order, and you will be troubled no longer in the manner above described. When you look at your watch it will be running, and ON TIME.
"YOU WIND THE WATCH, WE DO THE REST."

All work warranted twelve months. I carry a first-class stock of Watches, Clocks and Jewelry at lowest prices. The only jeweler in this section who can do you

ENGRAVING
without "sending it off." Any style of letter or monogram engraved at short notice. All work repaired promptly and delivered at the time promised. No being put off by work not being finished when you call for it.
Place of business in F. F. Dunbar & Co's Store. Don't mistake the place.
